MEET

Elif Fitzgerald

Business Owner, Philanthropist, Mother, Wife and Mentor

Elif is the owner and founder of PureLife Medi-Spa, voted by both Tampa Bay Magazine and Tampa Bay Newspapers “Best Medi-Spa” the past seven years in a row. The premier spa specializes in non-surgical cosmetic and body contouring procedures.

She immigrated from Istanbul, Turkey, twenty years ago where she studied finance and business management. Her career in her service began in her twenties when she owned and managed a restaurant and a hotel in the coastal tourist town of Kuşadası. With fierce determination and vision, the businesses brought much success. Elif never imagined she would eventually bring her expertise to the healthcare industry in the U.S.

Married to Dr. Joseph Fitzgerald, she’s served as the Business and Operations Manager for his large family practice for 17 years, and at **PureLife Medi-Spa** since opening in 2013. 2020 brought unprecedented challenges to the medical field with the covid-19 outbreak. Elif worked tirelessly long hours six days a week to accommodate patients. The Fitzgerald’s keen medical expertise enabled them to help people in need, never turning away patients during the pandemic. Putting patients’

health before their own everyday, the family practice was recognized by the state of Florida as the second busiest (single) practice for covid-19 testing and treatment (with no fatalities).

Elif’s unique philosophy and old-fashioned commitment to customer service not only benefit the patients, but also the community.

Since 2013, she has supported numerous charities, personally hosted fundraisers and served as the presenting sponsor for many events. In 2017, she received the **“Philanthropist of the Year”** award from Julie Weintraub’s Hands Across the Bay. Additionally, she’s very supportive of local law enforcement, sending food packages, gift certificates and supplies to officers across Pinellas county. Elif also serves on the Board of Directors for both Hands Across the Bay and Seacoast Bank.

For years she has mentored young women, providing training and education to help further their careers. However, Elif’s greatest accomplishment and joy was raising her four children to adulthood.

“I am incredibly blessed,” shared Elif. “I have my family to thank for always supporting me in my professional endeavors. I have exciting plans in the works to expand my businesses and I am elated to see what the future holds.”

BACON Ranch Pasta salad

The flavors of bacon, tomatoes, and ranch-style dressing make this pasta salad an excellent choice for a potluck or cookout.

Ingredients

- 1 ½ cups mayonnaise
- ½ cup sour cream
- 2 (1-ounce) packets Ranch dressing dry mix (about 6 tablespoons)
- ¼ teaspoon ground black pepper
- 10 strips thick bacon (diced)
- 1 pound rotini (or a similar short pasta shape)
- 1 pint grape tomatoes (halved)
- 1 ½ cups diced celery
- 2 cans sliced ripe olives (drained)
- Optional: 1 to 2 cups grated cheddar cheese

Combine the mayonnaise, sour cream, ranch dressing mix, and pepper in a medium bowl. Cover the bowl and refrigerate the dressing mixture until it is time to make the salad.

Put the diced bacon in a large skillet and place it over medium-low heat. Cook, stirring frequently, until it is browned and beginning to crisp. Use a slotted spatula to remove the bacon to paper towels to drain. Let the bacon drippings cool slightly and then pour them into a container to use in future dishes.

Bring a large pot of salted water to a boil; add the rotini and turn the heat down to maintain a gentle boil and cook according to the package directions, usually about 7 to 9 minutes. Drain the pasta and let it cool.

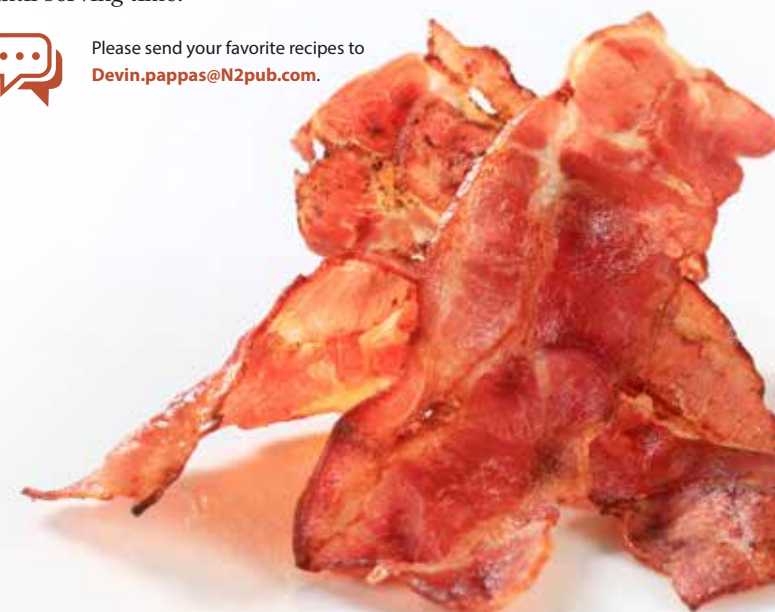

Put the cooled pasta in a large bowl and add the cooked drained bacon, the halved tomatoes, diced celery, and olives to the bowl. Toss gently to combine.

Add the dressing mixture and gently fold it in until the pasta and vegetables are well coated.

Transfer the pasta salad to a serving bowl; cover and refrigerate until serving time.

OUT OF AFRICA!

BEGINNER'S GUIDE To Your First Safari

In June I was able to cross another continent off my bucket destination list: Africa.

And just like Karen Blixen in Out of Africa, I envisioned myself traversing sun-soaked plains and plateaus in search of the Big 5,

lion, leopard, rhinoceros, elephant, and buffalo. And I was not disappointed! The only thing that I was a bit surprised about was the fluctuation in temperature. Low to mid 40's at night, in the low 80's during the day. It sure is winter right now in Africa!

Our first stop took us to Kenya. But before I could embark on this adventure, there were vaccinations to be had, yellow fever is mandatory and typhoid highly recommend. And of course, there is Malaria prophylaxis.

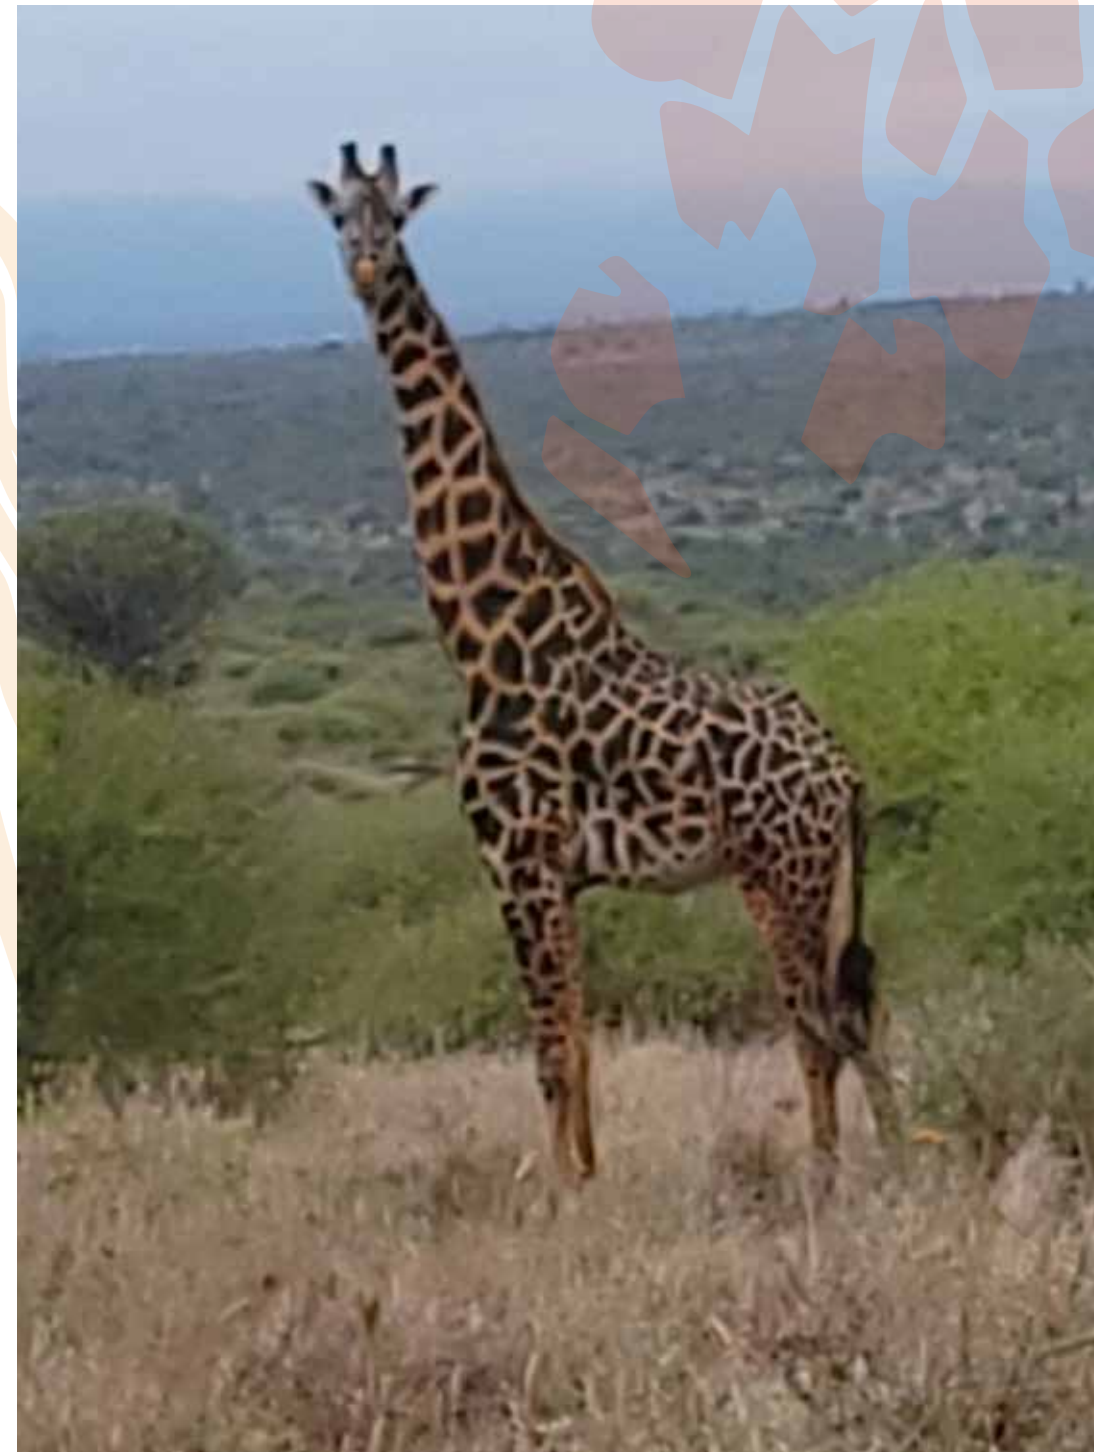

Covid has made travel even more complicated and the strict timeline of a negative PCR test needs to be adhered to.

Then there are visas to apply for, health forms to fill out and QR codes to be obtained. As you can see, the planning itself should not be attempted without the help and guidance of a well-versed travel advisor.

There is no apt description for Kenya but if I had to choose one word, it would be picturesque. It is about twice the size of Nevada and sits astride the equator. Traveling across this beautiful country offers many breathtaking landscapes of mountains, plateaus, gorges, and plains and you can be guaranteed a sighting of wild-life in their natural habitat and in close quarters.

After a very long flight, we arrived in Nairobi a couple of days before our first safari. I highly recommend giving yourself a day or two to acclimate. Besides, Nairobi is breathtaking, colorful and we got to see the Karen Blixen museum, which was a perfect lead-in to our adventure, and visited a giraffe farm.

Our second stop was a tented luxury camp right at the foot of Mt. Kilimanjaro.

whereas the females protected the baby elephants. It was a magnificent display of power, all mere 25 feet from our jeep, and left me breathless.

The majestic giraffes crossing our ways later in the day were definitely a close second. By the end of the day, we were covered in dust but smiling ear to ear. Words just cannot describe the sights!

Back at our camp, we were given strict instructions to never walk alone at night time. Guards were stationed all around the individual tents and when you had to walk somewhere after sunset, they would accompany us, armed. From our "sundeck" we watched zebras cross by within mere feet, giraffes grazing in the umbrella trees and baboons watching our every move!

At the main lodge, a deck provided the perfect setting for sunset. Right below the deck was a man-made watering hole. All-day animals would stop by to enjoy a cold drink. Zebras, elephants, elans, wildebeest and so many more. Some of the elephants were just a tad territorial and right at sunset, we watched an older bull have it out with a younger male as they went tusk to tusk, fighting for access to the water hole. Only when the younger male starting bleeding from its nose, did the older one ease up. The sounds and noises accompanying this fight are something I will never forget.

But it didn't end here: the next morning we headed back to the airport for our second stop: Massai Mara National Park, while staying at the Sentinel Mara Lodge.

While our hearts and minds are overflowing with all we have seen the last few days, we are so excited to continue this venture. Stay tuned for Part Two of my African adventure, Victoria Falls, next month.

A short 45-minute flight from Wilson Nairobi National airport landed us at Amboseli National airstrip at 8.30 am in the morning. Our guide, complete with coffee and biscuits, was waiting with a jeep to take us on our first game drive.

WOW!!! We encountered colorful flamingos, elans, wildebeest, baboons, warthogs but my favorite encounter was a herd of elephants that was threatened by two lions. The bulls approached the lions with angry roars

We have lived at 401 Harbor View Drive for 10 years. We ended up here because we liked the neighborhood and all the families raising children here. We knew it was important to live somewhere with a strong community feel, which we found in Harbor Bluffs.

Kenny and Jennifer originally met in Atlanta as volunteers handling dignitaries for the 1996 Olympics. We were at Auburn University at the same time and can recall certain events we attended at the same time, but never knew each other. It was meant to be! We both lived in Atlanta for 10 years prior to moving back to Clearwater, where Kenny grew up.

We enjoy traveling and have been to Europe, Thailand, and Africa. After an amazing Tanzanian Safari trip, we had our passports stolen in an airport security line. Needless to say, we couldn't leave the country for three days since we didn't have any valid identification! We would still go back in a heartbeat.

We enjoy tarpon fishing and spend time in Boca Grande each year during tarpon season. In the fall, you can find us either going to Bucs games or Auburn football games. Jennifer and Kenny both have family members that live local; our family is a high-priority in our lives. We attend Harborside Christian Church.

MEET Anabel Dot, 2-YEAR-OLD LITTLE MORKIE GIRL

precious pets

Named after
CHITTY CHITTY
BANG BANG!!

Family member names: Kathy Smith and Kyle Smith (son)

Last month HBL featured this little cutie's brother, Versace!!
Please enjoy Anabel Dot's story!!

HBL-Where/why did you get your pet?

KS-We lost our black lab, Phaeton, (he was 10 and thought it would be good to have another friend for Versace (He is a morkie too), he was alone for almost a year after Phaeton passed!

HBL-Is there a story behind its name?

KS-yes, we love the movie Chitty, Chitty, bang bang and the little girl's name is Anabel. My good friend from Russia had a puppy when she was little(looked like Anabel) and her name was Dot= Anabel Dot

HBL-Anything special or unusual about them (talents/quirks)?

KS-Bella for short is very smart for being so little at just 8 lbs, she rules the house! She is very friendly and thinks she is bigger than she is! Is the first to hear and alert, her bark is bigger and she sounds veracious! She loves to get dressed up! Does not like to go out in the rain (even with her rain jacket). When bags are brought in the house, she immediately tears through them looking for a new toy and once she gets it, it's a matter of time before she has chewed the squeaker out. She is very playful and really gives her big brother Versace a lot of grief, chasing him and chewing on his ears..lol She loves to be held and is a blessing!

HBL-What do you like best about your pet?

KS- She is very loving, loves to be held and to snuggle! She is funny, makes us laugh all the time! She has to be the first to get a treat and pick the best toy (even when they are the same)! She demands attention!

HBL-Any funny stories?

KS- She is very fast and outsmarts her brother Versace, when they get in play; chase mode, she will hide behind the tree and cut him off out of nowhere and win every time!

HBL-How spoiled is your pet?

KS-Very, she loves to be held like a little princess and get dressed up! She will not go in the rain and demands a pee-pee pad. She loves to grab the first treat and run off proudly! When

the delivery guys come, she has to have the plastic packing right away to tear up! She is very fun and happy!

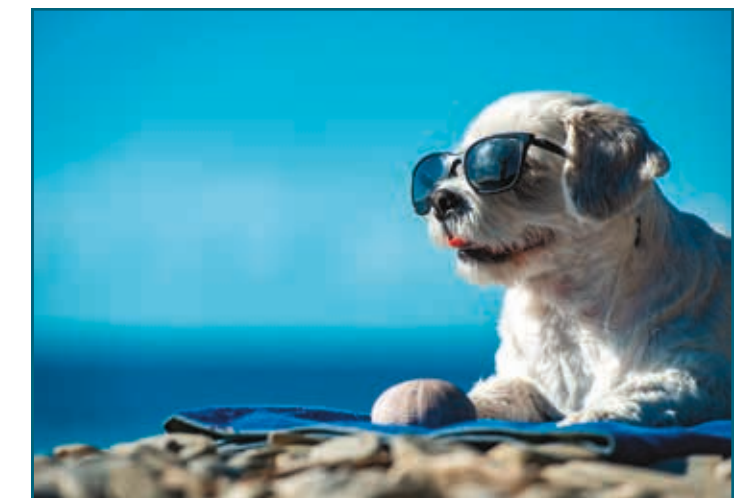

HBL-What else should we know about your pet and/or how your pet has enriched your home/family?

KS- She loves to go the beautiful local parks in the bluffs, if she is riding longer than a few miles, she gets car sick and lays down and closes her eyes until she gets back on ground! She is very sweet and mommy's little girl.

Thank you Carol Moorhead-Dog Tog Photography for these adorable pics!

KNOWN AS
Sparkles
BORN AS
Debbie

“SPARKLE-IZE
Somebody Every Day”

“*Sparkle-ize somebody
every day...
it comes in back in a great,
big way!*”

My name is Debbie Taylor (aka Mrs. Sparkles), but most people call me Sparkles.

I come from Columbus, Ohio, where I taught Kindergarten Arts for 35 years. I have a wonderful son and a beautiful daughter, their spouses, and four amazing grandchildren. My daughter's family is in Charlotte and my son and his family is in Tampa. When I retired, I started a production company and recorded three CDs. I had a great start at becoming the next Mr. Rogers, but life got in the way.

Within five months I lost my husband and soulmate of 37 years, “Mr. Grumbles.” I promised I would love and have fun for both of us. Starting a solo life in my 50s was a scary adventure.

Traveling for a year lead me to Harbor Bluffs, where I currently live. I found my “Happy Place.” After being a snowbird for four years, I made the full-time move here and I love it!

I joined the Krewe of Augustina, which is the most fun I've had since college. I do Zumba several times a week, kayak and swim, and go to the beach. I paint and collect mermaids. My home is Mermaid Manor and I am called Mermie by my grandchildren.

Sparkles with her Family

Before COVID-19, I performed in schools throughout the Tampa area. I also held concerts to raise money for various groups in need. I have given away 4,000 CDs and have another 1,000 in the way. They are in several countries as well as most states.

I have been published five times and have several children's books ready to go. I plan on doing another CD and am composing new songs. Besides giving birth and getting married, my third biggest thrill was being on the “Wheel of Fortune” twice. I even landed a spot on Game Show Bloopers!

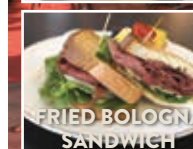

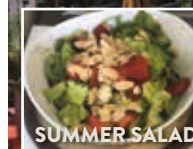

“*I was honored to be given a
lifetime teaching award, teacher
of the year, and a Disney creative
teaching award to name a few.*”

I've had the opportunity to meet many celebrities, such as Michael Bolton, Donnie Osmond, Jack Hanna, where I got my executive master's at the Columbus Zoo.

My life has been so amazing, I am so blessed. To live in Harbor Bluffs has been a dream come true. I am sparkling more than ever. I have made so many different kinds of friends.

EXCEPTIONAL
TASTE IN
EVERY BITE!

“We would love to serve your family.

I have learned so much on my journey that I call “Sparkle-isms.”

1. Age is a number and mine is unlisted. I plan on being 49 forever!
2. I won’t be a purse or a nurse
3. If you don’t like my decorations, don’t come to my party

I have many more lessons I could convey but my most valuable lesson has been: “I won’t quit living for fear of dying.”

I’ve got so much more love to give. The world needs Sparkle-ized more than ever. You can find my music is on most music platforms, including CD Baby, Apple, Amazon, Spotify, and YouTube. Visit MrsSparklesmusic.com or Mrs. Sparkles Fan Club (www.facebook.com/MrsSparkles) for more information.

HBL- The beauty of HBL is the way it brings together the community one neighbor at a time. We met Sparkles at our New Year’s “Neighbor’s Night Out” at Bonefish in January and she has been meeting people and spreading Sparkle to many new friends and the community ever since.

You will recognize Sparkles because she is always smiling and happy. She is never alone – always with her friends or meeting new ones!

Please join our monthly “Neighbor’s Nights Out” and meet Sparkles, meet up with old friends or meet new ones!

Always a FUN time!

Charity Fundraiser

held at HB Resident Business

COVE CAY GOLF COURSE

Raising \$25K to Help At-Risk-Girls

Pat and Bill Shriver, HB residents from Crestwood Lane, are always thinking of and helping our community!! They certainly did not fall short during the charity fundraiser supporting Brookwood Florida.

Anyone looking for a great day of golf to support an important cause would not have been disappointed on April 30th at Cove Cay Golf Club in Clearwater. Brookwood Florida (www.BrookwoodFlorida.org) held their first annual charity golf event to raise funds to bolster their programs.

Brookwood Florida Founded in 1927, provides a unique, life-changing residential program for at-risk girls between the ages of 13 and 21. The home typically aids 120 -130 girls per year who have suffered abuse, neglect, homelessness, or serious family dysfunction. The goal of the program is to help prepare the girls to become self-sufficient and self-supporting adults, and work toward family reunification when feasible. \$1000 covers the support of one girl for one week.

The day of fun, organized and implemented by the board members and staff of Brookwood, including the Executive Director **Dee Monje** and Development

Director **Maida Millan**, raised over \$25,000 to go directly to the programs.

The event included course contests, lots of fantastic raffle and auction prizes and some delectable food and social time at the after party. The entire day ran smoothly and likely no one was disappointed! Vinnie Testaverde played golf and sponsored this non-profit organization.

Thanks to the staff of Cove Cay and the owners Pat and Bill Shriver for helping to make it a successful event. Dates for the 2022 event are in the works so stay tuned!

Book Signing Event

THE EVENING WAS EXTRAORDINARY
-THANK YOU TO ALL WHO ATTENDED!
neighbor's night out recap

A Big Thank You

I want to offer an enormous Thank You to *Harbor Bluffs Living Magazine* and Roxy's Bistro for sponsoring my book signing of **"Aging Redefined: Bio Hack Your Body Clock Backwards!"**

The evening was simply extraordinary in every way—and I sold out of books!

The food at Roxy's is fast becoming legendary, a rare local jewel of epicurean delight. I am so grateful to the HBL Family who generously donated door prizes. A great time was had by all, and positive energy abounded. I look forward to future guest speaking events and expanding my mission to educate people on how to take control of their health, look great, feel great, and thrive for years to come!

You can find my book on Amazon by searching for the title, "Aging Redefined: Biohack Your Body Clock Backwards."
